Make Plans to Join us for Our 71st Season

Welcome to the 71st season of SOST. This brochure provides you with the variety of music our patrons have come to enjoy. We are hopeful that you will find something- or many things - that you will find enjoyable and entertaining. A little bit about what you'll hear.

While many symphonies concentrate on only "The Classics," SOST listens to our patrons and strives to provide a mixture of Pops, Broadway, Country, and Beethoven. We present guest artists that have international presentations, have appeared on national programs like America's Got Talent, and have recently appeared on Broadway shows. All that, here in Beaumont!

Please take a look at the lineup in this brochure and visit our website for more details. To order season tickets, call our offices at 409-892-2257, mail in this order form or even stop by to check out the seating chart in person. We hope that you'll find a season subscription as your best option, yet as schedules are not always compatible, single ticket options might be best for you. One way or another, it is our hope that you'll find your Symphony of Southeast Texas to be a resource to find great symphonic music!
