

Youth Education Concerts
Our Musical World

January 24, 2024

9:30am OR 11:00am

Julie Rogers Theatre

SOST invites you and your students to a FREE concert exploring the musical world around us

It is fascinating to contemplate the nature of our world, and one of the most intriguing aspects of it is the prevalence of sound and vibration. Indeed, from the tiniest particles to the grandest galaxies, everything in the universe interacts through these phenomena. Take, for instance, the gentle mist that arises from the waves of the sea, or the gracefulness of a swan floating upon its surface. Even a Bumble bee, as it buzzes from one flower to another, is creating vibrations that ripple through the air. And when we look to the wonders of nature, we find ourselves surrounded by a symphony of sounds that can transport us to another world. Whether it's the Flight of the Bumble Bee, the haunting melody of The Swan from Carnival of the Animals, or the electrifying Thunder and Lightning Polka, there is no shortage of musical adventure to be had in the natural world. So let us open our ears to the wonders around us and marvel at the incredible power of sound and vibration.

The concert will include music from Rimsky-Korsakov, Beethoven, Saint-Saen, Strauss and Copland.

Maestro Chelsea Tipton II will lead your SOST in a live concert at the Julie Rogers Theatre. The concert will also feature our 2024 Concerto Competition winner!

This program is created for fifth grade students utilizing many of the key elements included in STARR testing, but all ages are welcome. We hope you'll take a morning adventure and join us by completing the form below.

Email the completed form to mwalker@sost.org, fax to 409-892-0117 or mail to SOST, 4345 Phelan Blvd, Suite 105, Beaumont, TX 77707 Deadline: January 5, 2024

Time: 9:30 a.m. OR 11:00 a.m.

(Please mark one. Seating is limited for each concert, so please act quickly)
